## ST. JOHN'S PUBLIC SCHOOL NAGPUR SECOND TERMINAL EXAMINATION

Date: Session: 2019-20 No. of Ques: 06 Q1. Fill in the blanks: (non-renewable, Seasons, hot and humid, Airways, the coral reef, 365 ¼ days,) 1. Cotton grows in a climate. 2. The Lakshadweep islands are made up of 3. The revolution of the Earth causes is the most expensive mode of transport. 5. Minerals are sources and are limited in number. 6. The Earth takes to complete one revolution.  Q2. Match the following:	Name:	Subject: Social Studies	Max. Mks: 30
Q1. Fill in the blanks: (non-renewable, Seasons, hot and humid, Airways, the coral reef, 365 ¼ days,) 1. Cotton grows in a	Roll. No.:		Time : 2 hrs
(norr-enewable, Seasons, hot and humid, Airways, the coral reef, 365 ¼ days,)  1. Cotton grows in a climate.  2. The Lakshadweep islands are made up of  3. The revolution of the Earth causes  4 is the most expensive mode of transport.  5. Minerals are sources and are limited in number.  6. The Earth takes to complete one revolution.  Q2. Match the following:	Date:	Session: 2019-20	No.of Ques: 06
1. Cotton grows in a climate. 2. The Lakshadweep islands are made up of	Q1. Fill in the blanks:		(6×1/2=3mks)
2. The Lakshadweep islands are made up of	· ·		
3. The revolution of the Earth causes is the most expensive mode of transport.  5. Minerals are sources and are limited in number.  6. The Earth takes to complete one revolution.  Q2. Match the following:	•		
4 is the most expensive mode of transport. 5. Minerals are sources and are limited in number. 6. The Earth takes to complete one revolution.  Q2. Match the following:	•	•	
5. Minerals aresources and are limited in number. 6. The Earth takes to complete one revolution.  Q2. Match the following:			
6. The Earth takes to complete one revolution.  Q2. Match the following:			
Q2. Match the following: A Represents courage and confidence B a) Sutlej River b) one revolution C) National emblem C) Pamel Nadu C) Tamil Nadu			
A B a) Sutlej River 2. Kanyakumari b) one revolution 3. Bhakra Dam c) National emblem 4. 365 days d) paper industry 5. Timber e) Tamil Nadu  Q3. True or False: 1. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? a) iron b) copper c) manganese d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which state produces coffee? 3. Which state produces coffee? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?			
1. Represents courage and confidence 2. Kanyakumari b) one revolution 3. Bhakra Dam c) National emblem 4. 365 days d) paper industry e) Tamil Nadu 2. True or False: (6×1/2=3 mks) 4. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top. 24. Choose the correct Answer: (4×1=4 mks) 4. The green band of the flag must always be at the top. 29. National Highways are constructed by the government a) state b) city c) central d) all of these 2. National Highways are constructed by the government a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean 29. Answer in one or two words: (4×1=4 mks) 4. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace? 29. Which state produces coffee 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace? 20. Which animal represents strength and grace? 20. Which state produces coffee? 3. Island and Peninsula 20. State and Cash crops. 3. Island and Peninsula 20. Why are dams called multipurpose dams?	Q2. Match the following:		(5×1=5 mks)
2. Kanyakumari b) one revolution 3. Bhakra Dam c) National emblem 4. 365 days d) apper industry 5. Timber e) Tamil Nadu  Q3. True or False: 1. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? a) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?			
3. Bhakra Dam c) National emblem d) paper industry e) Tamil Nadu  Q3. True or False: (6×1/2=3 mks)  1. The rivers of the western Coastal Plains form deltas.  2. Wheat grows in a cool and moist climate.  3. China is the largest producer of tea in the world.  4. Rajdhani express are superfast train.  5. Jharia is Jharkhand has a large gold mine.  6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: (4×1=4 mks)  1. Which of these is a metallic mineral?  a) iron b) copper c) manganese d) all of these  2. National Highways are constructed by the government a) state b) city c) central d) all of these  3. The is an imaginary line that divides the Earth into two hemispheres.  a) axis b) orbit c) Equator  4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: (4×1=4 mks)  1. What is the capital of Lakshadweep islands?  2. Which state produces coffee?  3. Which highway connects Delhi to Punjab?  4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2)  1. National highway and State Higway  2. Food crops and Cash crops.  3. Island and Peninsula  Q7. Give reasons: (Any 2)  1. Why is water conservation important?  2. Why are dams called multipurpose dams?		· · · · · · · · · · · · · · · · · · ·	
4. 365 days 5. Timber e) Tamil Nadu  Q3. True or False: 1. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? 2. In which of these is a metallic mineral? 3. Iron 3. The is an imaginary line that divides the Earth into two hemispheres. 3. The is an imaginary line that divides the Earth into two hemispheres. 4. The main source of freshwater 4. The main source of freshwater 4. Rain 5. River 6. Choose 7. Answer in one or two words: 7. Which state produces coffee? 7. Which state produces coffee? 7. Which highway connects Delhi to Punjab? 7. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?		,	
9. Truber e) Tamil Nadu  Q3. True or False: 1. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? 2) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?		•	
Q3. True or False:  1. The rivers of the western Coastal Plains form deltas. 2. Wheat grows in a cool and moist climate. 3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer:  1. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	Q3. True or False:		(6×1/2=3 mks)
3. China is the largest producer of tea in the world. 4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6.The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? 2) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	1. The rivers of the western Coastal F	Plains form deltas.	
4. Rajdhani express are superfast train. 5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer:  1. Which of these is a metallic mineral? a) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 3. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	2. Wheat grows in a cool and moist of	elimate.	
5. Jharia is Jharkhand has a large gold mine. 6. The green band of the flag must always be at the top.  Q4. Choose the correct Answer: 1. Which of these is a metallic mineral? 2. Which of these is a metallic mineral? 3. iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. 3. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	<u> </u>		
6.The green band of the flag must always be at the top.  Q4. Choose the correct Answer:  1. Which of these is a metallic mineral?  a) iron b) copper c) manganese d) all of these  2. National Highways are constructed by the government  a) state b) city c) central d) all of these  3. The is an imaginary line that divides the Earth into two hemispheres.  a) axis b) orbit c) Equator  4. The main source of freshwater  a) Rain b) River c) Ocean  Q5. Answer in one or two words:  1. What is the capital of Lakshadweep islands?  2. Which state produces coffee?  3. Which highway connects Delhi to Punjab?  4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2)  1. National highway and State Higway  2. Food crops and Cash crops.  3. Island and Peninsula  Q7. Give reasons: (Any 2)  1. Why is water conservation important?  2. Why are dams called multipurpose dams?			
Q4. Choose the correct Answer:  1. Which of these is a metallic mineral?  2) iron b) copper c) manganese d) all of these  2. National Highways are constructed by the government  3) state b) city c) central d) all of these  3. The is an imaginary line that divides the Earth into two hemispheres.  a) axis b) orbit c) Equator  4. The main source of freshwater  a) Rain b) River c) Ocean  Q5. Answer in one or two words:  1. What is the capital of Lakshadweep islands?  2. Which state produces coffee?  3. Which highway connects Delhi to Punjab?  4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2)  1. National highway and State Higway  2. Food crops and Cash crops.  3. Island and Peninsula  Q7. Give reasons: (Any 2)  1. Why is water conservation important?  2. Why are dams called multipurpose dams?			
1. Which of these is a metallic mineral? a) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	6. The green band of the flag must all	ways be at the top.	
1. Which of these is a metallic mineral? a) iron b) copper c) manganese d) all of these 2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	O4. Choose the correct Answer:		(4×1=4 mks)
a) iron b) copper c) manganese d) all of these  2. National Highways are constructed by the government a) state b) city c) central d) all of these  3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator  4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	·	al?	(121 111110)
2. National Highways are constructed by the government a) state b) city c) central d) all of these 3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?			
a) state b) city c) central d) all of these  3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator  4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	2. National Highways are constructed	d by the government	
3. The is an imaginary line that divides the Earth into two hemispheres. a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?	a) state b) city c)	central d) all of these	
a) axis b) orbit c) Equator 4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?			
4. The main source of freshwater a) Rain b) River c) Ocean  Q5. Answer in one or two words: 1. What is the capital of Lakshadweep islands? 2. Which state produces coffee? 3. Which highway connects Delhi to Punjab? 4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2) 1. National highway and State Higway 2. Food crops and Cash crops. 3. Island and Peninsula  Q7. Give reasons: (Any 2) 1. Why is water conservation important? 2. Why are dams called multipurpose dams?			
a) Rain b) River c) Ocean  Q5. Answer in one or two words:  1. What is the capital of Lakshadweep islands?  2. Which state produces coffee?  3. Which highway connects Delhi to Punjab?  4. Which animal represents strength and grace?  Q6. Write the difference between: (Any 2)  1. National highway and State Higway  2. Food crops and Cash crops.  3. Island and Peninsula  Q7. Give reasons: (Any 2)  1. Why is water conservation important?  2. Why are dams called multipurpose dams?		1
