Dear Parents, Students and Teachers

Greetings from St. Johns Public School, Mohan Nagar, Nagpur!

Christmas is an annual festival celebrated on December 25 by Christians all over the world to honour the birth of Jesus Christ. According to the Christian religion, Jesus Christ is the son of God, born to Joseph and Mother Mary. The name Christmas came to be known by joining the words "Christ" and "Mass" which means the holy mass (supper, celebration or festival) of Christ. Christmas is a special time of year where family and friends reconnect over shared wishes and Christmas messages. Many families look forward to receiving their Christmas greetings and display or hang them for the holiday season. On Christmas day they pray and share their joy with each other

On this beautiful celebration of Christmas, I pray that you keep good health, joy and happiness. Let the baby Jesus bless you to grow in higher wisdom, abilities and strength. I wish you all a very happy Christmas.

A new year is a powerful occasion: It is a time to reflect on our gratitude for the past and our hopes for the future. And it is a chance to welcome a fresh start to reinvigorate our enthusiasm for chasing goals and dreams. New Year is the time to root for the best life. As new year is the time for resolutions, take a few resolutions for long-term goals and strive hard to achieve it. May this new year be a special new year, where you will be freed from all calamities and ailments. I pray that all your dreams come true and may you journey with contentment and positive vibrations. Happy new year to you all

On behalf of the management, once again I wish you all...

A Happy Christmas and A Happy New Year 2021

STAY HOME. SAVE LIVES.
