Dear Students and Parents,

Greetings from St. Johns Public School, Mohan Nagar, Nagpur.

I pray that you continue to remain safe and sound. We come to know from the newspapers and television that these days the Covid-19 cases are increasing in large numbers. It is the need of the hour that we need to take care of ourselves. We have heard that some of our parents and children also fell-prey to this deadly illness. As a school community, we express our solidarity and keep them in our prayers for their speedy recovery. Thank God that some of them are fit and back again for their normal life. We shall continue to adhere to the norms of the government to be safe and to save lives.

I am happy to know that many of you are responding well to the online class. I do understand that some students find it difficult to learn through online education. During this pandemic we do not have any other option, so I urge you to take a little more trouble to learn and study through this platform. We have been providing the online classes for the last one and half months. I am sure the teachers have tried to impart the knowledge as best as they can. I am grateful to the teachers and parents for their hard-work and co-operation in training their students and wards respectively.

Assessment is part of learning, so we will have the first assessment (i.e. first periodic test) from 7<sup>th</sup> September to 12<sup>th</sup> September 2020. The date-sheets are already given to you and you are expected to prepare for the exam accordingly. The syllabus and the portion for exam is finalized and communicated to you along with the date-sheet. You are instructed to go through it thoroughly while preparing for the exam. The exam pattern will be in MCQ (Multiple Choice Questions) as instructed by your teachers. Kindly follow all the exam guidelines explained by your respective subject teachers.

We are also pleased to inform you...

- ☞ Office hours will be from 9:00 am to 1:00 pm for all transactions.
- ☞ You should make prior appointment if you wish to visit the school office.
- ☞ When you come to school, carry your own safety kits like masks, sanitizer etc.
